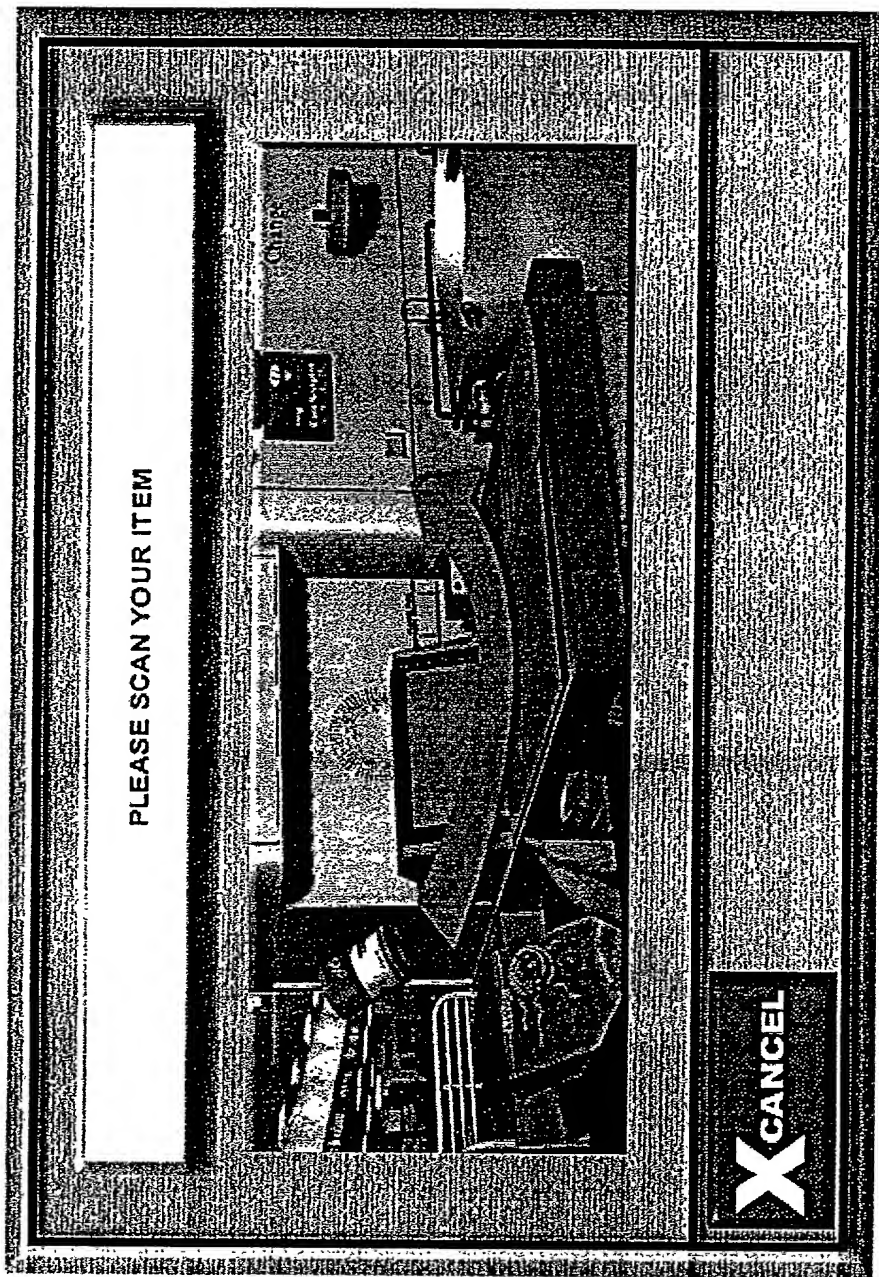

FIG. 2A

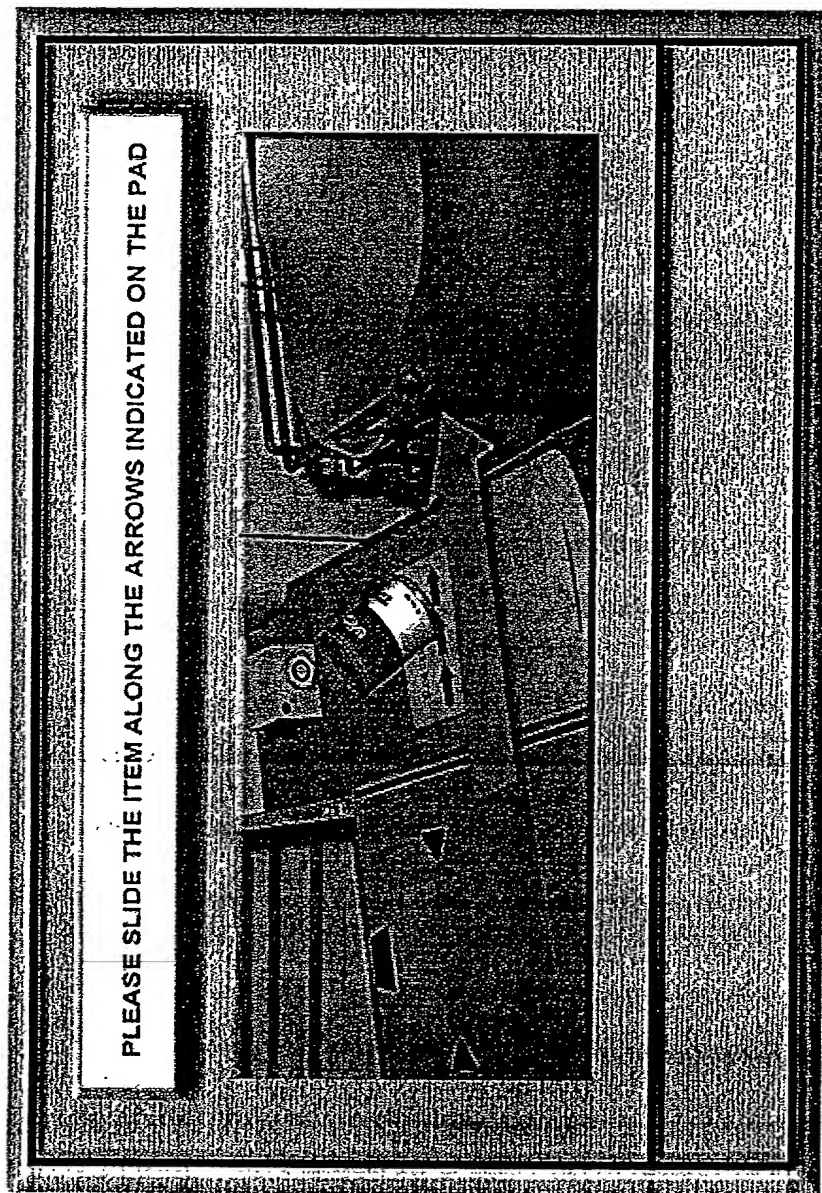

FIG. 2B

A black and white photograph of a vintage computer terminal. The terminal has a large, dark screen displaying a grid of characters. The grid is organized into rows and columns, with some characters appearing to be letters and others numbers. The terminal is mounted on a desk or stand, and there are some papers or documents visible on the desk surface. The overall appearance is that of a mid-20th-century computer system.
